### **Retail Root ball and Bare root List**

Here is our Stock list of bare root and root ball hedging for the coming season. The main items we will be holding in stock are listed here but if items you are looking for are not listed please contact us as we may be able to source them. We will be adding shrubs, topiary, and trees to this list as we move closer to the start of the season.

**Two price brackets are listed If you require high numbers of a particular item or a large selection from the list please contact us for a price. All prices are including VAT!**

**The prices listed are for supply while stocks last up until the end of December 2020. Orders placed for supply from January 2021 onwards for stock not in the nursery will incur extra charges for the necessary paperwork due to Brexit.**
